

PRODUCT SPECIFICATION

Safe2Bond Medium windscreen repair pit fill resin

LIQUID PROPERTIES

One part, White Light cure adhesive	
Appearance	Clear, colourless
Flashpoint	97 ± 1.5 °C
Density	N/A
Shelf Life	12 months, unopened
Viscosity Brookfield @ 25°C	N/A

POLYMER PROPERTIES

Appearance	Clear, colourless
Refractive Index,	1,4785 @ 25°C
Full Cure Time	60 seconds

CURED PERFORMANCE

Cure Speed (using 125 watt mercury vapour lamp @ 2cm)

Initial Cure	15 seconds
Full Cure	60 seconds

Shear strength and tensile strength T.B.A

PRODUCT STORAGE

Store upright in original, unopened containers in a cool, dry well ventilated place at temperatures between 5 and 20°C. Protect from heat and sunlight. Refrigeration may prolong shelf-life.
